United States Gold Coins

Consignment H

Gold coins are now in great demand, and this demand is rapidly increasing. Gold itself has just increased in value 43 per cent. Gold coins, especially rare ones, are rapidly advancing in value, and are becoming scarcer all the time. In order to avoid disappointment, and lose the lot you desire, it will be necessary to place your limit higher than in the past. Collectors who buy gold coins today, even though he pay a little more than he thinks they are worth, will soon find they have made a good investment.
